MEMORANDUM FOR THE RECORD

SUBJECT: Trip Report for [REDACTED]

25X1A 1. On 22 October a meeting was held with [REDACTED]
25X1A concerning the [REDACTED] 3x-12x Enlarger. The modifications
25X1A that we required were discussed point by point. Delivery of the
25X1A instrument at [REDACTED] was scheduled for 21 October, however,
25X1A the paper work required from logistics was not accomplished and
25X1A delivery was expected during the week of 25 October 1964. [REDACTED]
25X1A was informed of the approximate delivery date. A further discussion will
be held after delivery of the instrument to [REDACTED]

25X1A 2. [REDACTED] requested that I see him before going to
25X1A [REDACTED] Another meeting disrupted plans and I spoke to
25X1A [REDACTED] concerning the power supply to the light source
25X1A in the [REDACTED] Enlarger. Three of these have been delivered by [REDACTED] 25X1A
25X1A [REDACTED] two are working, the third produces a flicker. [REDACTED] 25X1A
25X1A requested that the malfunctioning power supply be sent back to him.
25X1A A possible problem, according to [REDACTED] was the balance between
25X1A the transformer and the matched electrical circuits. As soon as
[REDACTED] is available he will be informed of this development.

25X1A 3. A question arose concerning the financial status of [REDACTED] 25X1A
25X1A [REDACTED] before my visit there. In order to disperse any rumors
25X1A that may or may not be valid, I requested a financial statement from
25X1A [REDACTED] This statement can be examined keeping in mind its origin --
25X1A the financial department of [REDACTED] According to the
report, there is no present indication that this company is not solvent
nor that it will be bankrupt in the near future. Therefore, our contract
with this company should be fulfilled, within the 45 day period without
difficulty.
